1. **Curtis requested an upgrade in our Weebly subscription in order to improve our website and have password protection. We currently have a free account but we need to upgrade to a paid account, which costs \$156.42. It will be password protected and more secure. Since the amount is over \$150 it has to approved by the exec board.  
Jen made a motion to pay \$156.42 to upgrade our Weebly account. All in favor.**
2. **Maura made a motion to go into executive session. All in favor.**
